Lascko's Blizzard Buster Sale Save Up To \$1,105 On A New Furnace

Dear Neighbor,

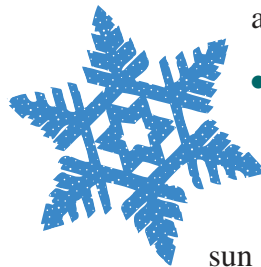

Federal tax credits, local utility rebates and manufacturer's promotions make now a great time to replace your furnace. You can get one of the highest rated furnace brands at an awesome price! These are brand new furnaces with full factory guarantees. However, you need to act fast, sale inventory is limited and this offer ends March 18, 2011.

• **SAVE UP TO \$500 WITH OUR LIMITED TIME DISCOUNT.** And what better time to save on a new furnace than the heart of the winter season!

• **SAVE ANOTHER \$150-\$200** during the extended Federal Tax Credit.

• **SAVE UP TO \$200 MORE** with the local utility's rebate for high efficiency furnaces.

• **SAVE 20 TO 50% ON YOUR HEATING COSTS.** According to the EPA, half of all furnaces are improperly installed and don't achieve their maximum performance. We will install your new furnace correctly and guarantee it is operating at its rated efficiency.

• **FREE ENERGY SAVING PROGRAMMABLE THERMOSTAT**

• **AVOID A COLD AND COSTLY BREAK-DOWN.** It's winter! Older units suffer rust, metal fatigue and worn parts that eventually give out.

• **SAVE EVEN MORE** if you purchase a central air conditioner with your furnace.

• **ENJOY YOUR COZIEST WINTER EVER.** New variable stage blowers distribute heat evenly throughout your home. We'll analyze your home size, number of rooms, even your home's sun and heat exposure so your new furnace delivers the greatest heating comfort and energy savings. You'll even enjoy how quietly your new Lascko model runs. It's enough to make you forget it's winter.

• **FREE IN-HOME ANALYSIS AND COST ESTIMATE.** Just call and make an appointment that is convenient for you. Our comfort consultant will show up on time, measure and analyze your home and complete an estimate for the best system for your home.

*Hurry, take advantage of this offer before our inventory runs out,
and while the energy rebates are still available.*

System prices may vary depending on the requirements of your home.
